

LEE'S SUMMIT

Dear Genesis Members,

We are excited to announce that we have begun a multimillion-dollar renovation to our Lee's Summit location. By the end of the project, members will see new finishes, a newly expanded weight room equipped with new cardio equipment, heated yoga studio, added weight equipment, All American Training room, and a new large functional turf area. To create more space to accommodate these highly requested amenities, we will be permanently removing the basketball court. Also included will be completely remodeled expanded luxury locker rooms with new tile, countertops, added towel service, and high-end soap and shampoo products.

While we expect the project to move quickly, there will be times when certain areas of the club may have limited hours or be inaccessible. Locker rooms will undergo demolition, the men's locker room is currently closed. During construction, portable restrooms will be available outside.
