Who We Are

We are a passionate team of youth development professionals who are honored to serve youth during out of school time. We understand that our time spent with children gives us the ability to play a role in influencing the person a child becomes. We are committed to leveraging our intentional camp setting to create an environment where children are free from evaluation and given a robust opportunity to courageously try something new, fail, and get back up again in a supported environment. Here, children can feel deeply valued and connected to a community who celebrates them for who they are. We take our opportunity to serve seriously and choose to create change through ridiculously fun camp experiences!

Camp Goals:

1. To engage, energize, and inspire children to be active.
2. To foster personal character development, respect for others and build confident, capable problem solvers.
3. To cultivate positive self-talk within our campers.
4. To develop skills in sports-specific areas and have FUN!

Day Camp Counselors

Our team is made up of individuals who LOVE kids! They want to spend their time playing, teaching and working with children. All Mighty Camp Team Members have completed extensive background checks, are certified in basic First Aid and CPR, and receive extensive training prior to the start of the camp. Rest assured; we hire the best of the best to work with your children!

Ratio

Campers will be assigned a team with a 12:1 camper to counselor ratio. Our commitment to small groups maximizes the learning experience and strengthens campers' connections with friends.

What to Expect

Campers spend approximately three hours daily in sport focused "Learn to Play Workshops." The remainder of their time is spent engaged in activities like STEAM, swimming, Kids Yoga, Improv, Character Programming, Campfire, special events, youth fitness classes, and local field trips.

*Check out the website to learn more about weekly field trip destinations and rotating programming.

Learn to Play Sport Workshops

Basketball | Soccer | Softball | Floor Hockey | Volleyball | Flag Football | Ultimate Frisbee | Lacrosse | Tennis

Improv- Let's Play

Campers attend Improv classes where they can be silly while learning the important skill of thinking on their feet, relishing the spotlight, and most importantly having the humility to laugh at oneself!

Fun with Food

Campers participate in hands on cooking experiences that teach basic cooking skills, connect youth to the food they eat, and inspires conscious eating habits.

Character & Life Skills Programming

Campers move through intentionally crafted lesson plans that unpack what it looks like and sounds like to be courageous, responsible, honest, patience, attentive, generous, compassionate, creative, and determined. We spend time celebrating our campers for choosing to make decisions rooted in character. Coaching, celebrating, and reinforcing character-based decision is at the core of the Mighty Camp experience!
