### ADULT INSTRUCTIONAL PROGRAM

The Adult Instructional Program offers five skill levels. Lessons are grouped using the N.T.R.P. system. The following descriptions will help the student choose the correct class level.

#### 2.1-2.5 (ADVANCED BEGINNER)

This player needs on-court experience. This player has obvious stroke weaknesses but is familiar with basic positions for singles and doubles play.

#### 2.6-3.0 (LOWER INTERMEDIATE)

This player is learning to judge where the ball is going although court coverage is weak. Can sustain a short rally of slow pace with other players of the same ability.

#### 3.1-3.5 (INTERMEDIATE)

This player is fairly consistent when hitting medium paced shots, but is not comfortable with all strokes and lacks execution when trying for directional control, depth, or power. Most common doubles formation is one-up, one-back.

#### 3.6-4.0 (ADVANCED INTERMEDIATE)

This player has achieved improved stroke dependability with directional control on moderate shots, but still lacks depth and variety. This player exhibits more aggressive net play, has improved court coverage, and is developing teamwork in doubles.
