"BEST summer camp around!!"

The staff is awesome, the kids are moving all day long, and learning so much.

My daughter literally talks about camp all year long and can't wait for the next summer to start.

Camp Goals

1. To engage, energize, and inspire children to be active.
2. To foster personal character development, respect for others and build competent, capable problem solvers.
3. To cultivate positive self-talk within our campers.
4. To develop skills in sports-specific areas and to have FUN!

Day Camp Counselors

We feel confident we have the best team around! The majority of our team comes from local universities with backgrounds in Recreation, Education, Fine Arts, Psychology, Sociology, Business, Health and Exercise Science, and other diverse fields of study. Most importantly, our team is made up of individuals who LOVE kids! They want to spend their time playing, teaching, and working with children. All Miramont by Genesis Camp Team members have completed extensive background checks, are certified in basic First Aid and CPR, and receive extensive training prior to the start of camp. Rest assured, we hire the best of the best to work with your children.

Ratios

To maximize the learning experience and to maintain a safe environment, we ensure sufficient staff-to-camper ratios. Campers will be assigned a camp team with a 12:1 camper to counselor ratio.

What to Expect

Children enrolled in Sports Camp spend approximately three hours daily in sport-focused "Learn to Play Workshops". The remainder of their time is spent engaged in other activities like STEAM, swimming, Kids Yoga, Improv, Character First Workshops, and local field trips. Miramont by Genesis Sports Camp is designed and licensed for children between the ages of 5 and 12.

Rotating Bi-weekly Activities

Improv classes | Fun with Food | STEAM | Yoga | Kids Move | Balanced Kids

Improv - Let's Play

Summer camp Improv - Let's Play program is a fun, dynamic piece of the camp experience. Campers will attend "Improv" classes where they can be silly and fun while learning the important skill of thinking on their feet, relishing the spotlight, and most importantly having the humility to laugh at oneself!

Fun with Food

Our Fun with Food program is designed to teach children about healthy food choices! During Fun with Food, the campers will participate in a hands on cooking experience that teaches basic cooking skills, connects youth to the food they eat, and inspires conscious eating habits.

Miramont by Genesis Youth Character FIRST Program

We utilize Character First's Youth Curriculum which emphasizes the development of the whole child within their environment to help them grow physically, mentally, and socially. Every week, campers will spend time in their groups examining prepared lessons that promote integrity and character development. Each week's character trait is then woven into and reemphasized throughout the activities included in camp.
