Pickleball

Pickleball is a court sport that's fun for all ages and skill levels and is one of the fastest-growing sports in the country. It combines aspects of tennis, badminton, and ping pong into a game that is very popular among members of all ages at Fort Collins Club.

If you would like to learn, come at to the FCC gym Tuesday, Thursdays, and Sundays at 12:30. We will introduce you to the game, to our regular players, and before you know it, it will be your new favorite sport! Beginners and Low Intermediate players are welcome between 12:30 and 1:30. Intermediate and Advanced players have the courts from 1:30 to 3:30.

Summary of the Game

The game is played on a badminton-sized court: 22' x 44'. The ball is served diagonally and points can only be scored by the side that serves. A 7' no volley zone on each side of the net, otherwise known as the "kitchen", brings an added challenge to the game. The first side scoring 11 points and leading by at least two points wins!

No full-court games are allowed.
