November 9th, 2023

Lexington Tennis Club Members

Hi, I'm Rodney Steven II, owner of Genesis Health Clubs. Genesis currently owns and operates 66 clubs in Kansas, Missouri, Nebraska, Oklahoma, Colorado, Florida, Iowa, and Kentucky. We are in our 37th year of business, and our team has excellent experience in the fitness industry! We're known for our customer service, club culture, and the knowledge of our fitness professionals.

Genesis Health Clubs is excited to announce the purchase of Lexington Tennis Club, effective 11/9/2023. The club will now be known as Genesis Health Clubs – Lexington Tennis Club. As we transition the club into the Genesis Health Clubs family, members will gain immediate access to over 50 other Genesis Health Clubs locations across the country, including two recently acquired locations in Louisville, with no changes to your membership dues!

Genesis has deep experience operating world-class health clubs, aquatics, and tennis facilities. We hope to continue everything you currently love about your clubs and re-invest in the facilities, bringing you a whole new level of amenities and service.

Over the next several days, you will see key staff from Genesis in the club, meeting with the current team and chatting with members. We are so honored to meet you and show you what Genesis is about.

I am fully committed to maintaining safe, clean, state-of-the-art facilities, and I hope to create the same great atmosphere in your club as we have at our other Genesis locations. I am confident you will soon find that our friendly and professional staff puts customer service at the top of their priority list.

We understand you probably have many questions, and we're committed to getting those answers to you. Please refer to the Q&A page on the back for answers to more commonly asked questions.

Thank you for your patience as we complete this transition and bring you more amenities, enhanced facilities, and more fitness choices in the Kentucky area. We're here to stay in Lexington and hope to bring you more exciting news in the future!

Yours in Health,
