Who We Are

We are a passionate team of youth development professionals who are honored to serve youth during out of school time. We are committed to leveraging our intentional camp setting to create an environment where children are free from evaluation and given robust opportunities to courageously try something new, fail and get back up again in a supported environment, and feel deeply valued and connected to a community who celebrates them for who they are. We take our opportunity to serve seriously and choose to create change through ridiculously fun camp experiences!

Camp Goals

- 1. To engage, energize, and inspire children to be active.
- 2. To foster personal character development, respect for others and build competent, capable problem solvers.
- 3. To cultivate positive self-talk within our campers.
- 4. To develop skills in sports-specific areas and to have FUN!

Day Camp Counselors

We feel confident we have the best team around! The majority of our team comes from local universities with diverse educational backgrounds. Most importantly, our team is made up of individuals who LOVE kids! All Mighty Camp Team Members have completed extensive background checks, are certified in basic First Aid and CPR, and receive extensive training prior to the start of the camp. Rest assured, we hire the best of the best to work with your children!

Ratios

To maximize the learning experience and to maintain a safe environment, we ensure sufficient staff-to-camper ratios. Campers will be assigned a camp team with a 12:1 campers to counselor ratio.

What to Expect

Children enrolled in Mighty Camp spend approximately three hours daily in sport-focused "Learn to Play Workshops." The remainder of their time is spent engaged in other activities like STEAM, swimming, Kids Yoga, Improv classes, Character Programming, and local field trips. Mighty Camps are designed and licensed for children between the ages of 6 - 12 years.

Character & Life Skills Programming

Coaching, celebrating, and reinforcing character based decision making is at the core of the Mighty Camp experience. Each week we have a new life skill and character trait we are focused on sharing with our campers. Campers move through intentionally crafted lesson plans that unpack what it looks like and sounds like to be courageous, responsible, honest, patient, attentive, generous, compassionate, creative, and determined. In addition to dedicating time to learning about character we spend time celebrating our campers for choosing to make decisions rooted in character. Each week, during our campfire activity, campers are recognized for the positive impact their presence makes as they choose to make character driven choices in camp!
