MIRAMONT SOUTH

Preschool Mission Statement

Genesis Preschool Miramont South is a play-based early childhood program developed in a loving, safe, and creative environment. Our program is designed to nurture self-esteem and confidence in the young child.

Curriculum Description

The Preschool offers a hands-on curriculum designed to help young children develop. Our program is designed to challenge and stimulate each child. The curriculum will help build your child's:

- Intellectual competence
- Language skills
- Self-help skills
- Social/emotional well-being
- Gross and fine motor skills

Enrolling Your Child

While new families are always welcome, previously enrolled preschool families will be given first priority. We are happy to meet with you to discuss your child and your child's needs.

Daily Overview

Drop off / Greeting / Free Play

Opportunity for children to have free play while everyone arrives.

Circle Time

This time is spent sitting together in a large group. Circle time is the opportunity to introduce the theme of the day through stories and songs. Directions are given for center activities.

Enrichment

Our weekly enrichment program includes music and movement.

Centers and Small Group

At this time our center-based curriculum includes: art, writing/literacy, manipulatives (fine motor), science, math, sensory, and dramatic play.

Bathroom / Snack / Playground

Snacks are rotated through the class. All snacks must be store-bought to meet state health regulations. We are a nut-free preschool.

Lunch

Pack a nut-free lunch and enjoy with friends.

Story and Final Circle

As a group, the children listen to a story and review the activities of the day.

Extended Day

Stay longer for free play/enrichment
