Hi, I'm Rodney Steven II, owner of Genesis Health Clubs. Genesis currently owns and operates over 50 clubs in Kansas, Missouri, Nebraska, Oklahoma, Colorado, and Iowa. We are in our 35th year of business and our team has great experience in the health and fitness industry! We're known for our customer service, our club culture, and the knowledge of our fitness professionals.

For several months, we have been working with The Athletic Club on the sale of these locations. I am proud and excited to announce that the sales are official and the high quality of service and programs that have been a part of these clubs will continue and will thrive to a new level.

As we transition Athletic Club members into the Genesis Health Clubs family, former TAC members will continue to have access to their clubs, as well as over 10 others in the Kansas City area. See the full list on the back of this page. Metcalf Super Sport members will have access to these two new former Athletic Club locations, the newly remodeled KC Racquet Club, and all the Gold and Platinum locations where they previously enjoyed access.

Over the next several days, you will see key staff from Genesis in the clubs, meeting with the current staff, and chatting with members. We are so honored to meet you and to show you what Genesis is all about.

I am fully committed to maintaining safe, clean, state – of – the – art facilities and I hope to create the same great atmosphere in your clubs as we have at our other Genesis locations. I am confident you will soon find that our friendly and professional staff puts customer service at the top of their priority list.

We understand you probably have a lot of questions, and we're committed to getting them to you. Please refer to the attached Q&A page for answers to more commonly asked questions.

Thank you for your patience as we complete this transition, bring you more amenities, nicer facilities, and more fitness choices in the Kansas City area. We can't wait to share all of our clubs and their fitness community with you.

Yours In Health,
