

Kids Club

The Kids Club department offers exceptional care. On any given day, you will find many children engaged in age-appropriate activities that are fun and inviting. We are confident that you will find our department exceptionally clean, organized, bright, and cheery! We staff our rooms to meet the needs of many children from ages 4 months - 12 years old.

Parents must remain on the premises while their children are under our care. For more information contact Sienna Sasselli, Kids Club Coordinator. sienna.sasselli@genesishealthclubs.com

Toddler and Preschool Age Programs

Our team facilitates programming to build engagement and connection with children during their stay. Daily programs help children build confidence through knowing what to expect during their time with us. Morning Storytime and songs provide a wonderful opportunity for us to connect as a community and daily Kids Yoga Adventures are a silly and playful way for kids to get their wiggles out, while also increasing their body awareness as the instructor narrates an adventure and the kiddos follow along using body movement to tell the story.

School Age Fitness Programs

Kids Fit is designed to inspire youth to be active for life! Weekly classes are a great way to add physical activity into your child's schedule. This hour-long class is packed with fun activities to get your child moving, while introducing them safely to the fundamentals of exercise. The best news? This program is included when children are added to their parent's membership! While you are taking the much-needed time to invest in your personal health and wellbeing, your child will have a blast improving their own health too!

*Please refer to your location's website and Kids Club Team to learn more about the Kids Fit offerings at your specific location.
