

LINCOLN RACQUET CLUB

12/17/2020

Dear Genesis Members,

We are excited to announce that starting in early 2021, we will begin a multimillion-dollar renovation of our Lincoln Racquet Club location. By the end of the project, members will see new finishes, equipment, amenities including a spa and yoga studio, an expanded pool and weight room, and completely revamped and remodeled luxury locker rooms. This is in addition to the completely remodeled tennis courts, which are already complete and ready for you to use!

While we expect the project to move quickly, there will be times when certain areas of the club may have limited hours or be inaccessible. For the latest news and updates, please follow our club Facebook page at [facebook.com/GenesisRacquetClub](https://www.facebook.com/GenesisRacquetClub)

We understand that this may cause some inconvenience, but fortunately, you have full access to all Genesis Health Clubs locations in Lincoln, including our new East Lincoln location, located just 4.4 miles to the Northeast. See the other side of this page for a full list of locations.

In addition, please refer to the attached document for examples of some recently remodeled clubs for a taste of what's coming. Please also refer to the attached Q&A page for answers to more commonly asked questions. Thank you for your patience as we refresh, revitalize, and reinvigorate your club. We can't wait for you to see the final result!

Yours in Health,
